The proposed 2022-23 Pavement Improvement Program for South Carolina includes the reconstruction and rehabilitation of Major Roads/Primaries, Farm to Market Secondaries, and Neighborhood Streets. Additionally, the proposed 2023-24 Major Roads/Primaries selections are included for public comment.

The projects recommended for the Proposed 2022-23 Pavement Improvement Program and the 2023-24 Major Roads/Primaries were selected utilizing ranking processes that are based on objective and quantifiable factors, comply with the Ten-Year Plan, support the performance targets established in the Transportation Asset Management Plan and utilize a county by county distribution of paving funds in order to ensure that every county of the state is guaranteed paving funds.
