Direct Services funding consists of federal and state dollars for Workforce Development and Aging program services provided to the counties in the Upper Savannah region based on performance, need and eligibility. The COG administers these two programs under contract for direct service delivery and is responsible for the allocation and fiscal administration of these dollars. The funds assist in delivering services that provide for the health, welfare and employment of certain segments of a county’s population, thus easing the financial and administrative burden on local governments. Rural Guideshare funds are Federal Highway Administration dollars designated for highway system improvements. USCOG Board of Directors prioritizes the projects for final consideration by the SCDOT Commission.

Edgefield County Highlights

Town of Johnston Fire Truck – Town received \$454,545 in CDBG funding in November 2019 for purchase of new fire truck to replace a 1973 model that was being used by the Town of Johnston Fire Department. The fire truck was delivered in August 2022.

Workforce Development - Completed start-up staffing for Generac in Edgefield County. Recruited nearly 800 workers.

Focus on Manufacturing – The largest need in the Upper Savannah area is preparing workers for jobs in manufacturing. There are hundreds of jobs which are unfilled and several thousand job seekers in the Upper Savannah region. Upper Savannah is helping new and expanding industries in all counties.

Response to Healthcare Hiring Needs – Upper Savannah received a \$500,000 grant to train 100 emergency medical technicians (EMTs) and paramedics over last year and is halfway towards meeting the goal. The Upper Savannah Workforce Development Board prioritized training for healthcare workers in response to the pandemic.

SC Works Centers – SC Works Centers are the focal point of the workforce development system and are located in all seven counties in the Upper Savannah Workforce Area. More than 1,000 job seekers were matched with jobs through the SC Works system. During the year there were 8,294 distinct individuals receiving services. More than 5,000 employer services were logged.

Outreach to High School Students – Upper Savannah is best known for its innovative approaches to reaching job seekers and employers. Booklets were distributed to more than 2,000 graduating seniors in the region listing companies which hire current high school students or recent graduates. Career exploration events were held for eighth grade students.

Federal CAREER Dislocated Worker – Received federal grant to find and train laid off workers. Upper Savannah is providing technical support to four other workforce development areas who were also part of the grant award. Postcards were mailed out to more than 20,000 SC residents.

Economic Development Administration (EDA) – Updated the Comprehensive Economic Development Strategy (CEDS) to keep the Upper Savannah region eligible for EDA funding. Assisted in the development of project applications for Greenwood County and Laurens County.

South Carolina Infrastructure Improvement Program (SCIIP) - Assisted local governments and utilities in applying for South Carolina Infrastructure Improvement Act (SCIIP) funds for water, sewer, and stormwater projects through the South Carolina Rural Infrastructure Authority (RIA). These funds were originally American Rescue Plan Act (ARPA) dollars directed to the state. USCOG staff attended two grant workshops and assisted in the writing and review of numerous grant applications in the region. Applications were due on September 12 and awards should be made by the first quarter of 2023. USCOG will also assist in the implementation of awarded projects in the region.

Transportation Planning – Continued working with SC Department of Transportation on various transportation planning projects. Represented USCOG in statewide virtual meetings on updating the

state bicycle and pedestrian plan, the Upstate regional freight plan, the statewide Interstate Truck Parking plan, and discussion of Electric Vehicle policy for the state.

Transit – Received, reviewed, and ranked transit grants from regional providers and forwarded them on to SCDOT. Continuing to pursue grants and partnerships to expand transit in all regional counties.

Planning Commissioner Training – Hosted numerous workshops to provide planning commissioners, zoning appeals board members, and staff with state-mandated training. Across the region, 126 people received the required training.

Community Development Block Grants – Received grant awards for both CDBG-CV1 Public Services and Public Facilities funding. Public service projects included air purifiers for school in Laurens County School District 55, food services region-wide, and limited public transit services in Saluda County. The air purifiers for the schools have been completed, and both the food services and transit projects are underway. Public facilities projects included a HVAC upgrade and air filtration installation at the City of Abbeville Civic Center, and air filtration installation at the Opera House. Both projects have been completed.

Americans with Disabilities Act – Continued updating ADA plans for local governments as needed.

Environmental Reviews – Completed environmental reviews for Community Development Block Grant projects.

Upper Savannah Land Trust – Continued providing technical assistance to the Upper Savannah Land Trust, which has preserved over 53,000 acres in an eight-county area that includes the USCOG region.

HOME – Continued monitoring completed projects with the HOME Investment Partnership Program. HOME is a HUD-funded program that provides rehab or new construction funding for homes of low-income individuals and rental units. Monitoring tenant income and rent levels will continue for the next 16 years. There is no more local funding in this program.

Planning – Continued assisting various municipal and county planning commissions with development or zoning questions as needed.

Grant writing – Assisted with grant writing for local governments, non-profits and community groups as requested.

Aging & Disability Resource Center (ADRC) Services – The Upper Savannah Aging & Disability Resource Center (ADRC) provides, coordinates and contracts for services to the Upper Savannah region's senior population. In addition to the regional services through the ADRC described below, Upper Savannah contracts with the region's senior centers and other providers to meet the needs of senior adults. Contracted services include transportation, home-delivered meals, congregate dining with activities, home care, and health and wellness promotion.

State Health Insurance Program (SHIP) – The SHIP program helps seniors and individuals with disabilities research and understand Medicare coverage options with their Medicare prescription drug plans and Medicare Advantage plans. This Program also counsels and assists beneficiaries with Medicare Part A & B issues and Medigap coverage, and alerts seniors to fraudulent Medicare and Medicaid practices through the Senior Medicare Patrol Program. The Upper Savannah SHIP Program made 2,537 contacts and attended 20 outreach events from July 1, 2021, to June 30, 2022.

Family Caregiver Support Program (FCSP) – Program provided funding to 270 caregivers as well as information, assistance, education, support, and referrals to many more throughout the region. The program provides respite, which is a break from daily care-giving that is important in helping caregivers do a better job over a longer period of time. The program also helps caregivers with supplemental services, such as incontinence supplies and assistive technology. The FCSP also continues to be available for grandparents 55 and older caring for grandchildren 18 and younger. Many grandparents take on the parental role in order to keep the grandchildren out of the overburdened foster care system. The FCSP helps those grandparents who have stepped into the role of parent due to death, incarceration or other parental problems with some funded services as well as information and support groups.

Information, Referral and Assistance (IR&A) – The IR&A program is designed to provide seniors and people with disabilities access to helpful resources. Upper Savannah staff includes two certified IR&A specialists.

Home Safety Program – The program has helped many individuals throughout the region with projects that improve unsafe areas in the home, including the building of handicap accessible ramps and installation of handrails, grab bars, etc. Partnerships with area churches have maximized the funding potential. The AAA helped 47 people in the Home Safety Program throughout the region during FY 2022.

Assistive Technology (lifelines) – Program assisted approximately 24 seniors throughout the region with lifelines.

Legal Services Program – Program served 34 seniors with various legal concerns such as Power of Attorney, will preparation, and grandparent custody issues. Attorneys throughout the region have agreed to work with the ADRC at reasonable rates to better serve the senior population.

Home Care Program – Upper Savannah AAA provides a Home Care Program that helps seniors who are in need of services such as light housekeeping and some personal care. The program provides consumer choice for the seniors and their families and adds support to keeping older persons in their homes as long as possible. The program served 96 people in FY 2022.

Advocate for Senior Citizens – Continued to serve as an advocate for 2,208 seniors in the region's nursing homes and residential care facilities through the continued administration of the Regional Ombudsman Program. The Regional Long-Term Care Ombudsman investigates and works to resolve problems or complaints affecting residents in nursing homes and residential care facilities. The Ombudsman also educates residents and family members about long term care and related issues while advocating for the protection of the resident's rights.
